

Tech rider *and timings.*

Everything your AV team and event lead need for the day, on one page. If anything here doesn't fit your venue, tell us early and we'll make it work.

What Omar *needs*

- ✓ A headset mic (preferred) or lapel mic, with a handheld as backup
- ✓ A screen and HDMI connection for slides (16:9)
- ✓ A wireless clicker
- ✓ Room to move on stage; a lectern is optional
- ✓ Water on or near the stage
- ✓ A roving mic for Q&A, if you're including one

Timings *on the day*

- ✓ A planning call with Omar before the event
- ✓ Arrival around 60 minutes before the session
- ✓ Ten minutes with your AV team beforehand
- ✓ Omar stays after the talk to meet attendees
- ✓ Signed books can be arranged
